| Other Important Information | |
|--|--|
| Our mobile banking app periodically collects, transmits, and uses geolocation information to support features that prevent fraudulent card use and alerts, but only if you expressly authorize collection of such information. You may choose whether geolocation information can be monitored on a continuous basis in the background, only while the app is being used, or not at all. You can change your location permissions at any time in your device settings. In addition, certain features of your online and mobile banking applications need to access your device's contacts in order to complete transactions efficiently. | |
